that I promised [illegible]
manager at St. Louis 1881
decided on telling it
that the fire men
might not have to work
for Land but could have
a chance to get a letter
vote & have a chance to
confirm them made-
men Daly said at first
the Indians looked
at us so much & Dugdale
told them [illegible] to them
& he joined with the men
one afternoon the men
[illegible] & Lang

a Time I should let
let them Run to the House
& let them Freeze - But she
said that her family
would have blamed if they
had not had it - She was
such a Comfort to them
I felt glad for what I
had done then I heard
just that - And she
also said if they had to go
in Search towards
them she just could see
32 & more I said but
I shall do that - I hear there
is so much murdered
And Cases but I will

that they have the
money for their
wedding - Hoping
to hear from you again
soon I am Ruth-
fully your friend
Nancy A Lauderdale
Jackson July 15th 1880.

How I wish I could
see you so much interesting
in this particular
direction that I could do
much and think for
them - I see so much
of them going to
many of the issues
of this home and
long ago I had sent
as a model of them
homes - Our Lady Mother
and the Lord just left
her little baby - It
seems not to be a

for children Dick
Palmer lost a baby
Mine - I felt fortunate
Dad about that as
they had named it
for me And I was
delighted but the
little thing - Our
Pinky Imp are very much
interested in the
twins - And I am so
happy they should
be the ones they are delighted
Luck for them - I have
just come from
Stanton where I

saw Mrs Segar she is
full of missing Spirit
& is establishing Secur-
& doing so much for the
Cause She is a very Capable
woman She Felt Mrs
that you are just the
one & felt interested
in Mrs Segar's work
just what & do for
them - Poor Lady health
is not as good as when
he first took them
She has had a hard
Road to hoe
I am very
